Department of the Army
Honolulu District, Corps of Engineers
Building 230
Fort Shafter, Hawaii 96858

Dear Colonel Stearns:

Subject: Public Notice No. PODCO-0 1480-S

The above cited public notice No. PODCO-0 1480-S calls attention to the application by the State of Hawaii Department of Land and Natural Resources, Division of Water and Land Development for a Corps of Engineers permit to construct a rock revetment along a section of shoreline of Paiko Peninsula, Kuliouou, Oahu. We have previously reviewed the various shore protection structures proposed for this area and are thereby enclosing our earlier comments for your consideration. We appreciate the opportunity to comment on the currently proposed revetment and its significant effects on the shoreline in this area.

Yours truly,

Doak C. Cox -
for J.M.
